

Volunteer Deposit Agreement

Fall 2011

Bohua Chinese School relies on a team of volunteers and parent participation to keep the tuitions low. To insure this participation, Bohua requires each member family to post a deposit at the beginning of each semester in the amount of **\$25.00 per family**. This check is **cash**ed (different from last year) and will be **refunded** to you at the end of the semester in the form of tuition credit – provided that the family has worked off their deposit according to the following rules. All families are required to help us during school sessions. A family electing not to volunteer at school activities will forfeit the \$25.00 deposit. Volunteer for special school events such as Chinese New Year Celebration, year-end performance also accounts.

Two ways to fulfill your volunteer obligations:

1. Volunteer one time as a hallway monitor, trash collector or at special events.
2. Volunteer as a classroom coordinator. There is only one coordinator position per class.

New: Volunteering for the classrooms other than the Coordinators (one per classroom) will no longer count towards the fulfillments. However as responsible parents, we should help the teachers with whatever is needed to provide our children with better learning environments.

The Council will be in charge of tracking participation and deposits, but each family is responsible for monitoring their volunteer activities to ensure that their obligation is met by the end of the school year.

I have read and understood the foregoing description of the Bohua Volunteer Deposit. I agree to pay the \$25.00 deposit as assurance that I will participate in the volunteer activities for the school. I understand that if I do not fulfill my participation requirements as outlined above, Bohua has the right of NOT refunding the \$25 at the end of the semester without further notice to me. I also understand that I am responsible for monitoring my volunteer activities to ensure that I have fulfilled my obligations by the end of the school year.
